SPECIAL NOTE ON LEAD-FREE CONVERSION

California passed into law Assembly Bill (AB) 1953, establishing the toughest lead content standard in the United States and phasing out the use of lead in plumbing products starting January 1, 2010.

Champion-Arrowhead is a California-based company with a California factory that is committed to meeting the new California No-Lead Law and to completely phasing out the use of lead on all plumbing products sold throughout the United States.

Effective January 1, 2010, all Champion-Arrowhead products will be AB-1953 compliant unless otherwise noted.

LIMITED WARRANTY

Champion-Arrowhead, hereinafter called "Company", warrants that parts and products manufactured by it shall be free from defects in material and workmanship, under normal use and service, for a period of three years from the date of purchase by the original buyer. This three-year period shall be known as the "warranty period". Company will replace or repair parts or refund the purchase price, at Company's discretion, products found to be defective during the warranty period. **Company's liability is solely limited to original purchase price of the parts or products and no payment will be made for consequential or incidental costs or damages that may have been caused by part or product failure.**

Buyer's remedies are limited to return of the products and either repayment of the original purchase price or repair and/or replacement of non-conforming parts or products. Products alleged to be defective must be returned to Company in a timely manner for inspection before any remedy may be applied. The decision on how to remedy parts or products found to be defective will be made at the sole discretion of Company.

Company does not assume liability for any defective products not manufactured or supplied by them even though such products may be used in conjunction with its own products. Company assumes no liability for damages sustained in the adoption or use of its engineering data. Company reserves the right to redesign, alter or otherwise modify its products without incurring liability for obsolete part or product inventory. No agent or representative of the Company has the authority to waive or alter this printed warranty or to make any representation or warranty not contained herein. **There are no warranties which extend beyond the description on the face hereof. There are no warranties, express or implied, of the merchantability or fitness for a particular purpose, except as expressly described on the face hereof.**

ABOUT CHAMPION-ARROWHEAD, LLC.

Champion-Arrowhead consists of two of the best known brand names in the plumbing and irrigation industries. Champion-Arrowhead was formed by Champion Irrigation LLC acquiring Arrowhead Brass Products LLC in 2006, making it one of the last US manufacturers of innovative and high quality brass products for the plumbing and irrigation industries. Champion Irrigation, founded in 1936 and Arrowhead Brass Products, founded in 1937 have over 140 years of experience and brand recognition. The company has several innovative new products including Arrow-Breaker, a patented technology, which is available in all connections and sizes for hose bibbs and Frost Free hydrants. A complete selection of the company's products can be seen at www.championarrowhead.com.
