

Model 1583SLOW

Compatibility:

- Fits all manufacturers' elongated bowls including Kohler®, American Standard®, Crane® and others
See size guide below*

Material:

- Durable wood, with superior high-gloss finish resists chipping and scratching
- Child seat is a long-lasting solid plastic.

Product Features and Benefits:

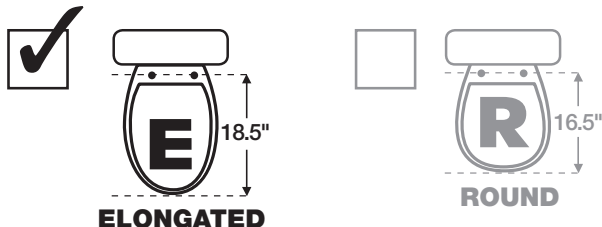

- Ready to Use Seat Accommodates Both Adult and Child - Built-In Potty Seat™ secures magnetically into cover when not in use to reduce clutter
- Whisper•Close® - Slowly and quietly closes with a tap eliminating slamming and pinched fingers
- Easy•Clean & Change™ - Removes for easy cleaning and replacement
- STA-TITE® Seat Fastening System™ - Never Loosens
- Removable Child Seat - Child seat removes for easy cleaning or when no longer needed

Care and Maintenance:

- Use a soft damp cloth with a mild detergent avoiding abrasive cleaners and brushes

*Toilet Seat Size Guide:

- Round seats typically measure 16.5"
- Elongated seats typically measure 18.5"
- To ensure proper fit measure from the front of the toilet bowl to the center of the mounting holes
