Brass Sill Cocks - Frost Free	92
Brass Sink Bibbs	90
Brass Swing Check Valves	89
Dielectric Unions	92
Dual Washing Machine Valve	91
Regular Sill Cocks	92
Vacuum Breakers	92

Terms and Conditions

FREIGHT TERMS: All shipments are F.O.B. shipping point. Shipments from factory less than 1000 lbs. are F.O.B. factory. Factory shipments OF \$1200 and over within the continental U.S.A. will be prepaid and allowed when made at the lowest motor carrier transportation rate.

TERMS OF SALE: All sales are F.O.B. shipping point.

PAYMENT TERMS: The invoices are due and payable 30 days from the date of invoice. A 2% cash discount allowed on net amount of invoice if paid on or before the 10th of the following month. Invoices dated on or after the 25th will be considered as dated the first of the next month. Postmark on envelope will be considered date of check.

PURCHASE ORDER FORMS: Orders submitted on customer's own purchase order forms will be accepted only with the express understanding that no statements, clauses, or conditions contained in said order form will be binding on the Seller if they in any way modify the Seller's own terms and conditions of sales.

SPECIAL PRODUCTS: Orders for special or modified products are non-cancelable.

LIMITED WARRANTY: Watts Brass and Tubular warrants each product to be free from defects in material and workmanship under normal usage for a period of one year from the date of original shipment. In the event of such defects within the warranty period, the Company will, at its option, replace or recondition the product: without charge. This shall constitute the sole and exclusive remedy for breach of warranty, and the Company shall not be responsible for any incidental, special or consequential damages, including without limitation, lost profits or the cost of repairing or replacing other property which is damaged if this product does not work properly, other costs resulting from labor charges, delays, vandalism, negligence, fouling caused by foreign material, damage from adverse water conditions, chemical, or any other circumstances over which the Company has no control. This warranty shall be invalidated by any abuse, misuse, misapplication or improper installation of the product. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Any implied warranties that are imposed by law are limited in duration to one year.

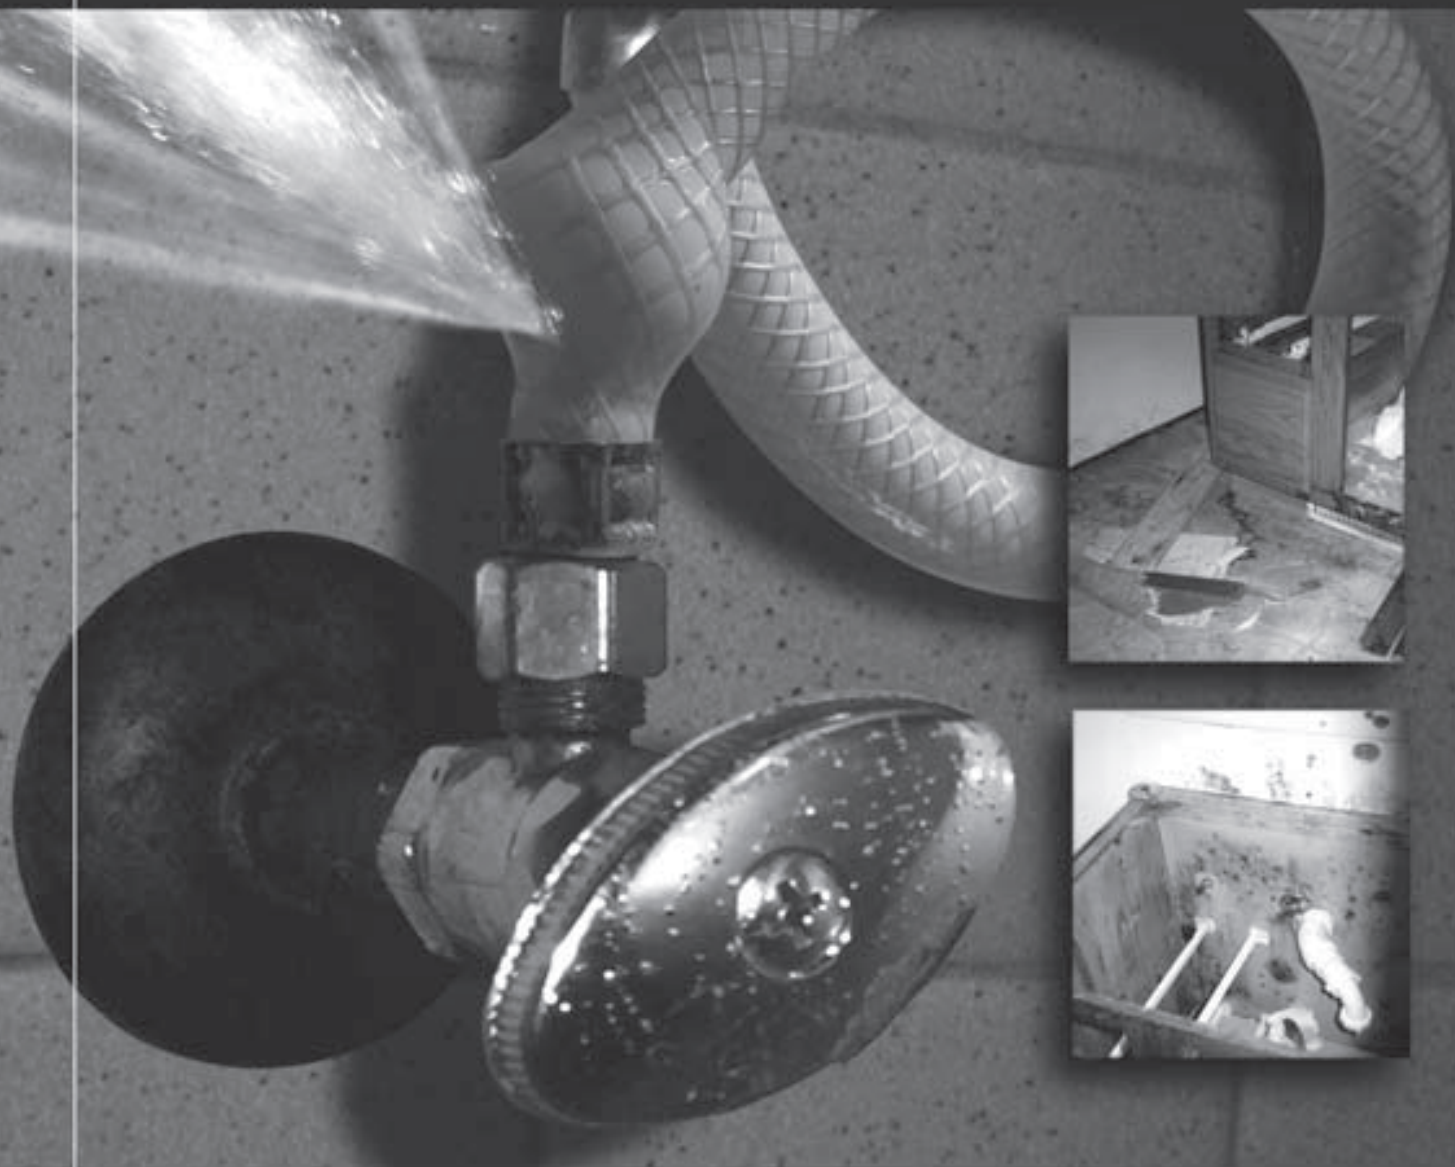

Some States do not allow limitations on how long an implied warranty lasts, and some States do not allow the exclusion or limitation of incidental or consequential damages. Therefore the above limitations may not apply to you. This Limited Warranty gives you specific legal rights, and you may have other rights that vary from State to State. You should consult applicable state laws to determine your rights.

SERVICE POLICY: For inoperative products beyond the warranty period, we assume no liability for replacement of valves due to service conditions beyond our control.

RETURNED GOODS MINIMUM CHARGE: No material shall be returned without authorization. When credit is issued it will be at the price charged, or prevailing price if lower, less handling charges based on costs of reconditioning, boxing, etc. However, a minimum 15% handling charge will apply. A minimum handling charge of \$10.00 is applied whenever the 15% handling deduction does not total \$10.00. Products which are obsolete or made to special order are not returnable.

NOTE: Prices and terms are subject to change without notice and supersede all previous quotations. The right is reserved to change or modify product design or construction without prior notice and without incurring any obligation to make such changes and modifications on products previously or subsequently sold.

Prevent CATASTROPHIC Water Damage!

Avoid a Flood of Problems with **FloodSafe™** Auto-Shutoff Connector

Protect your customers from disaster and reduce your liability risk by installing Watts FloodSafe™ Auto-Shutoff Connectors. Watts is pleased to introduce its new line of FloodSafe™ Auto-Shutoff Connectors available for faucets, toilets, ice makers, dishwashers, and washing machines. The FloodSafe's patented design protects against catastrophic water damage caused by burst, broken or ruptured water supply hoses and fittings. FloodSafe connectors automatically shut-off the water supply to plumbing fixtures/appliances immediately when excessive water flow is detected. FloodSafe™ does not require electricity or batteries to operate and has no mechanical moving parts during normal operation. For more information on Watts FloodSafe™ Auto-Shutoff Connectors call your local Watts representative or visit our web site at <http://floodsafe.watts.com>.

WATTS®

Kwik-Fit™ Sink Strainers

- Quality designed and engineered “cup style” strainer
- Deep drawn 304 stainless steel with rolled threads to specification tolerances
- Fits 3½" to 4" drain openings

Model	Ordering Code/ UPC Code	Description	Qty Per Shelf Pack	Qty Per Carton	Weight Per Carton	List Price Ea.
644 003	0140882 042805100172	Strainer	1	50	40	\$9.45
644 003ST	0140885 042805100073	Strainer with 1½" x 4" tailpiece	1	50	44	\$12.00

Specification™ Sink Strainers

- Heavyweight “cup style” 304 stainless steel strainer
- Brass knob and stainless steel clip closure basket
- Deep cut threads
- Brass plated locknut and slipnut
