**BEST in
Industry!**

***A Fill Valve
with a Whole
New **Twist!*****

**Easy 1/4-Turn Height Adjustment
Without Removing from Tank**

A BETTER **FILL-VALVE**

Designed for guaranteed dependability, easier adjustment and greater profitability.

Easy Twist and Lock Top for quick diaphragm access.

Strong Corrosion-Resistant Materials offer superior performance and years of use.

Adjustment Clip provides easy water-level fine tuning.

Patented* 1/4-Turn height adjustment. Adjusts from 9" to 14" to fit most toilet tanks.

* Patent 6,199,581
Patent 6,450,195
Design Patent 451,983

Superior, Easy-Adjustment Design

Toilet tank fill valve installation just got a whole lot easier! With a simple 1/4 turn, the new fill valve adjusts from 9" to 14" to fit most toilet tanks. Unlike most competitive units that must be removed from the tank to adjust, the BrassCraft fill valve can be raised or lowered while installed in the tank.

Superior 10-Year Warranty

While some brands are guaranteed for as little as one year, BrassCraft warrants that this product will be free from defects in material and workmanship for 10 years from date of purchase. That's the kind of product support that builds customer confidence – and sales.

Superior Margins, For Added Profitability

These days, you need to squeeze more ROI from every inch of floor and shelf space. The BrassCraft fill valve advantages are easy to see. That means higher value for your customers... and higher profit potential for you.

And, It's By BrassCraft

BrassCraft has built its reputation on quality. That's why professional plumbers trust BrassCraft products to be the best in the industry. Like other BrassCraft plumbing accessory products, BrassCraft fill valves have been extensively and rigorously tested to withstand years of use. So you and your customers can choose BrassCraft with confidence.

CHOICE ... GUARANTEED!

Attractive, Distinctive Packaging

Whether you're talking about the box or the clamshell kit, this fill-valve packaging is distinctly BrassCraft – highly informative and great looking, in the familiar BrassCraft blue and yellow colors. Key installation information is presented in photos, and in both English and Spanish.

Self-Selling Master Cartons

Designed to stimulate high-volume sales, the master cartons set up instantly, and promote essential selling features and benefits.

BC8413

The clamshell kit contains the BrassCraft Fill Valve, plus the **HORNET V™** toilet flapper. Made of specially engineered vinyl to resist harsh-chemical environments, the flapper features a patented no-rust, no-kink chain. Advanced quality, backed by a five year warranty.

Hard-Selling Take-With Literature

Supporting the BrassCraft packaging and merchandising, this high-impact four-color brochure answers customer questions, providing an added level of information and confidence.
