New PushConnect from BrassCraft®

As the leader in stops, our name sets the mark for durable watertight performance. Nowhere is that more evident than in our new PushConnect high-performance stops.

- Dual O-rings
- Pre-Inserted Tube Stiffener
- Locking Clip

More plumbers rely on BrassCraft than all other brands combined.

Why Choose BrassCraft?

FEATURES	BENEFITS
Dual O-rings (Viton®)* & (Nitrile)	Both Viton and Nitrile O-Rings provide excellent chemical resistance. Individually, Viton provides additional heat resistance, while Nitrile adds abrasion resistance
Pre-Inserted Tube Stiffener	Always "installation-ready" for a faster connection
Locking Clip	Added security that allows for removal if necessary
Removal Flange	Allows for easy removal from tube
100% Leak Tested	Leak-free assurance for your quality reputation
Made in USA	So you know its engineered to the highest quality standards

*Viton® is a registered trademark of DuPont Dow Elastomers, LLC.
