BrassCraft® Stainless Steel Flexible Water Connector

The Professional Standard

Designed with superior craftsmanship, the BrassCraft Stainless Steel Flexible Water Connector gives you a connection you can rely on.

- Durable, flexible water connector requires no cutting or soldering during installation
- Reinforced PVC inner hose is braided with stainless steel
- Brass hex nuts are plated for corrosion resistance
- 8-sided pneumatic crimp ensures reliable nut-to-hose connection
- Rubber washer ensures a universal fit and long lasting water-tight connection
- Long wing nuts make hand tightening secure, quick and easy

The BrassCraft Manufacturing Commitment to Compliance.

As an industry leader, we are continuously developing solutions for the ever-changing marketplace. In 2009, we were one of the first manufacturers to introduce no-lead* products with California's low-lead legislation. As this legislation expands to a nationwide implementation in January 2014, we continue our commitment to provide a full range of high quality compliant products, including our Stainless Steel Flexible Water Connectors.

*BrassCraft Manufacturing is in compliance with the National Reduction of Lead in Drinking Water Act which becomes effective nationwide on January 4, 2014. This legislation changes the legal definition of "lead free" from 8% lead to a weighted average lead content of 0.25% with respect to wetted surfaces.
