ICE MAKER WATER SUPPLY CONNECTORS

Fluidmaster water supply connectors are built to last. Made of a tough core covered with braided stainless steel wire, these connectors exceed code requirements for durability. They also have a large inside diameter for higher flow capacity.

- Exceptional flexibility for fast, easy installation
- Won't kink or crease, even in the tightest of spaces
- Heavy-duty brass hex nuts are easy to grip and nickel plated for durability
- Exceeds all code requirements for flexible water connectors
