

NEW MERCHANDISING DISPLAYS

The collage showcases several modular merchandising displays for tools, primarily using yellow pegboards and blue backdrops. The displays are arranged in a grid-like fashion, with some featuring multiple rows of tools and others focusing on specific items. Dimensions are indicated for several displays:

- A display at the top right is labeled **2 ft.** wide and **2 ft.** high.
- A display on the left is labeled **29 in.** wide and **5 ft.** high.

Text overlays on the displays include:

- MODULAR SOLUTION**
- HIGHER MARGIN & TURNOVER**
- INCREASE YOUR SALES**
- ORDER TODAY!**

The displays feature various tools, including wrenches, sockets, and other hand tools, all presented in a clean, organized manner.

FLEXIBLE. VERSATILE. MODULAR.

TB4000 WRENCH & PLIER TOOL BOARD
