

The Green Solution

Inline 3" Floor Drain Trap Sealer

Model SS3000

Specification: Sure Seal Model SS3000 preassembled Inline Floor Drain Trap Sealer. 5 pieces: commercial grade ABS plastic housing and keeper pin, proprietary neoprene rubber diaphragm, with 2 soft rubber sealing gaskets. Floor rating ASSE – 1072 AF-GW.

Function: Inline 3" Floor Drain Trap Sealer. Creates a physical barrier to block sewer gases and their odors from escaping.

- **New Construction:** Used in floor drains to provide added protection against escaping sewer gases. Eliminates the need to repair/replace trap primers when they fail.
- **Retrofit:** Used in situations where trap primers have failed or where trap primers were never installed.

Benefits: Simple to install, eliminates the need for complex, time consuming, and expensive repairs. Provides added protection against noxious sewer gasses. ECO friendly saving water.
